CHANNELVISION EXPO

Collocated with **RWS**
REMOTE WORK SOLUTIONS

CHANGE THE CHANNEL WITH CVx IN 2022

After 11 years collocated within ITEXPO, **CVx** is moving to its new home in Scottsdale, Ariz., where the **ChannelVision** audience of channel partners and wholesale providers will converge to fill their funnels, sharpen strategies and encounter new opportunities within communications, cloud and IT channels. Exhibitors at **CVx** will expose their wares to hundreds of agents, MSPs, resellers and distributors that are actively seeking new and profitable partnerships.

Along with the **ChannelVision** track of educational sessions covering the trends and technologies most important to channel partners, CVx also will play host to the **Remote Work Solutions** collocated event. **RWS Magazine** will present an educational track covering partner opportunities within the remote and hybrid work spaces.

2022

Attendees & Exhibitors Include

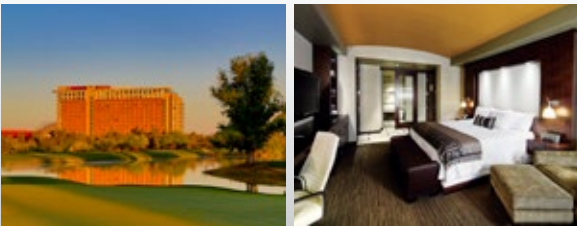

- Independent agents & solution brokerages
- MSPs & resellers
- Trusted advisors & consultants
- Wholesale communications & cloud providers
- IT & security solution providers
